SEPTEMBER 2024

Ngutti Gang,

I'm so excited for us all to jump back into the OA for our fall season. Our August Ordeal at Camp Crooked Creek was a huge success and I'm so proud of what we've accomplished. I extend my thanks to our central nation committee for giving our ordeal candidates a great first impression of our order. Coming up we have events in both September and October. From September 20th-22nd, we're having our double-header ordeal. That means at both Tunnel Mill and Pfeffer Scout Reservation we'll be inviting candidates to start their induction process. Arrowman, registration is live on our website. I want to skyrocket our numbers and have these ordeals fully staffed. Whether you live on the most western tip of Kentucky, the Tseydin Chapter in Indiana, or anywhere in between, you are near an ordeal. The most powerful form of communication we have is word of mouth. So I encourage you all, go to your troops, chapters, and friends. Bring them back, it's time to show them who we are.

Finally, I want to speak to you about Fall Fellowship. Fall Fellowship is the lodge's premiere event. I personally can't wait for all the fun we're gonna have. Fall Fellowship is all about making new friends and having a great time. We are the brotherhood of cheerful service, and this is our time to show that we aren't just a service organization. At my first Fall Fellowship, I made friends that I'm still in contact with everyday. I want every member of our lodge to make memories at this year's Fall Fellowship. FF will be hosted at Camp Crooked Creek from Oct 18th-20th. The event will be carnival themed, so come out ready to join the Nguttitehen Circus.

I hope to see you all at our fall events! I want to meet every arrowman in our Ngutti Gang, so don't forget to come say hi! I can't wait to show you what we have planned, cause we're just getting started. Like always, Ngutti on Top.

Winter Banquet

At this winter banquet you won't just be eating delicious foods, but you will be having the time of your life with great music and awards!

Arrowman,

Thank you all for a wonderful summer. As we move into fall, welcoming our new Brothers, looking forward to a fantastic Fall-Fellowship, please reach out to those Arrowmen that may be looking for something to do or a leadership roll to fill. We have openings and can always have help on our committees. The youth are having a great time planning our events, making them memorable. If you are a Vigil member, please, try to come out to the Fall-Fellowship Saturday morning Vigil breakfast to support the new vigil class and fellowship with all our Vigil members. If you have enjoyed our new Aim High program, please let the youth know or let one of the adults know. We really appreciate the feedback. So far, the response has been very positive from this year's attendees and from those returning from past years induction weekends. Remember, share in the Service of Brotherhood while in Fellowship to others.
